

## **Volunteer Trustee**

Do you have experience of growing a community led charity or social enterprise? Would you like to help a group of volunteers develop a thriving creative centre in the heart of Granton?

granton:hub is looking for a Trustee to expand the capacity of the Board, which currently consists of Chair, Treasurer and Secretary. This is an active, voluntary role requiring enthusiasm and commitment, as well as skills and experience to help us grow from a small group of volunteers to a successful charitable enterprise. Experience with funding applications would be particularly welcome at this stage in our development.

granton:hub has a 5-year lease on the ground floor and garden space of Madelvic House, a historic building in the heart of Granton, Edinburgh. We became a SCIO in 2016 with charitable purposes providing social and educational benefits to the local community across a range of activities including art and culture, heritage and the environment. You can find out more about our journey so far and our current activities on our website. We plan to work with partners to grow the programme of events and activities and eventually take over the whole building.

As an organisation granton:hub is made up almost entirely of volunteers, and we really value and appreciate the contribution of anyone who offers their time and abilities to help us. We as volunteers are involved for a range of different reasons, including contributing to our community, gaining work experience, enhancing existing skills, working as part of a team and meeting new people.

If you are interested in applying, please send a CV with covering email indicating why you are interested, what you could bring to the role and what time you have available to [louise@grantonhub.org](mailto:louise@grantonhub.org)
